

### **III.B.1.e**

**MEMO TO:** Mayor Rosemarie Ives and City Council Members

**FROM:** Don Cairns, Transportation Division Manager

**DATE:** April 5, 2005

**SUBJECT: NOTIFICATION OF TEMPORARY CLOSURE OF 188<sup>th</sup> AVENUE  
NE BETWEEN UNION HILL ROAD AND NE 84<sup>th</sup> STREET**

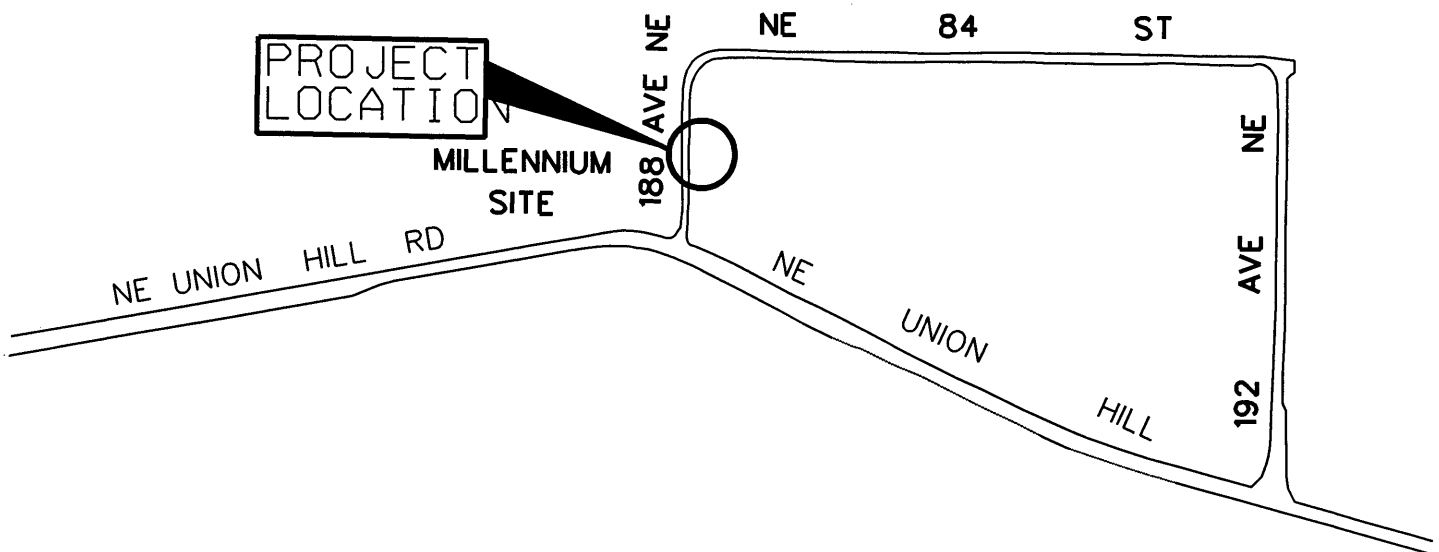

In accordance with the Redmond Municipal Code section 10.24.047 "Procedure for temporary closure or restriction," I am notifying Council of a temporary closure of 188<sup>th</sup> Avenue NE between Union Hill Road and NE 84<sup>th</sup> Street. 188<sup>th</sup> Avenue NE is a local street east of the Millennium development. The purpose of the road closure is to complete the street improvement plans which include removal of the existing asphalt and construction of a new curb and gutter, sidewalks, and a new asphalt roadway. The road project is part of the frontage improvement conditions imposed on Millennium.

There are no driveways along this portion of 188<sup>th</sup> Avenue, with the exception of a gravel driveway to Cadman's overflow employee parking, and a secondary entrance to the Millennium job site. City staff has determined that a full closure is the most efficient method to construct the road. Vehicles desiring access to NE 84<sup>th</sup> Street from Union Hill Road can use 192<sup>nd</sup> Avenue NE.

The closure will take place starting sometime in mid-April, and will be in effect for up to four weeks. The City and contractor will make appropriate notifications to affected properties and publish notice for three days prior to closure. The actual length of the closure will be dependent on weather conditions and unforeseen challenges in reconstructing the roadway. If this closure is acceptable to Council than no further action is required.

HAND DELIVERED

Re: Union Hill Road Widening Project # 00-CI-57

To Whom It May Concern:

Thomco Construction Inc. will need to remove and replace the curb, gutter, and asphalt and install new sidewalk from Millennium Park's East driveway, along Union Hill Road and to North on 188<sup>th</sup> Ave NE. To do this work it will be necessary to close 188<sup>th</sup> Ave NE, from Union Hill Road to Millennium Park's entrance at the corner of 188<sup>th</sup> and NE 84<sup>th</sup> ST. During the demo and reconstruction of the entrance to millennium Park between building # 18600 and 18700, this entrance will be closed. 188<sup>th</sup> Ave NE and the driveway will be closed from Wednesday, April 6<sup>th</sup> to Monday, May 2<sup>nd</sup>. There are alternate routes for access to Millennium Park and the business along NE 84<sup>th</sup> ST, by using 192<sup>nd</sup> Ave NE to NE 84<sup>th</sup> ST. Also there are 3 more entrance's to Millennium Park to the west, on Union Hill Road.

Thank you for your cooperation.

Sincerely,

Bob Bergley  
Project Manager
